EDUCATION

Biyani Girls College (Rajasthan University)

Bachelor of Computer Applications

CGPA 8.3

Jaipur, IN

2021 - 2024

St. Teresa's School

12th (Business Studies, Accountancy, Economics)

Percentage 90%

Jaipur, IN

2020 - 2021

PROJECTS

AI Story Generator Web App

- Developed a web app using React, Node.js, CSS, and integrated OpenAI API for enhanced functionality.
- Implemented OpenAI API to dynamically generate 5 comprehensive stories a day, based on user input in the web app.
- Demonstrated the power of AI-generated storytelling to enhance user engagement, delivering an enjoyable and interactive experience.

JavaScript30

- Completed a 30-day JavaScript challenge, solving a diverse range of problems daily, which significantly enhanced my understanding of JavaScript concepts and programming logic.
- Improved algorithmic proficiency and problem-solving skills, gaining confidence in tackling a variety of coding challenges.
- Developed a deeper understanding of JavaScript in these 30 days, and now, with the successful completion of the challenge.

SKILLS

Languages JavaScript, HTML/CSS, Sass, C, C++, PHP

Frameworks React, Node.js

Developer Tools Git, VS Code, Visual Studio, NPM

Libraries Bootstrap CSS

RESPONSIBILITIES

Technical Head, Biyani Girls College, Jaipur

2022 - 2023

- Orchestrated the seamless execution of 12 college and inter-college events, collaborating with faculty and students; achieved a record-breaking attendance of 500+ participants, surpassing previous years' engagement by 40%.
- Spearheaded the setup and maintenance of technical infrastructure, ensuring seamless operations for events for more than 8 hours long.

ACHIEVEMENTS

- Solved more than 100 LeetCode problems, showing a good grasp of solving problems with algorithms and getting better at different ways of writing code.
- Awarded for outstanding coordination at the 'Rajay', 3 days long youth fest, highlighting effective organizational skills and a collaborative approach within the team.
- Won 1st place in Blind Coding inter-college challenge, demonstrating excellent coding skills and proficient problem-solving abilities in a competitive setting.
- Published abstract on 'Evolution of AI' in the Biyani International Conference (BICON-2021), showcasing research and contribution to the field of artificial intelligence.
